Do you know someone who might be interested? If so, please feel free to speak to Fr. Steve to discuss this possibility. We have several people who have already expressed interest. If you would like to meet the team who will be assisting in this ministry and have them answer any questions you might have about yourself or someone who might be interested, they will be available following the morning Masses on Sunday, August 28th in the Church Basement.

Welcome
—We are glad you are here—

Welcome to the many visitors who will be with us in Falmouth for the Annual Road Race. At the Saturday Vigil Masses (4 and 5:30pm) we will offer a special blessing for runners and participants. We pray for an enjoyable, safe and healthy weekend for all who will take part.

CEMETERY POLICIES: St. Anthony's Cemetery has been providing sacred, consecrated ground for burial of parishioners since the mid-1920's. As a parish, we are responsible for the administration and its maintenance. When a person "buys" a grave, it is very clear in the deed that a person purchases the "right" to bury a person in a specific grave, but per se the "property" belongs to the diocese (and parish). As such, there are policies created by both the diocese and the parish to maintain the sacredness and order of the cemetery. All of this is clearly spelled out on our parish website as well as later deeds given to those who purchase a grave. Over the years, either because people are unaware, or have chosen to ignore the policies, there have been a number of gravesites that have exceeded the allotted area to place flowers (note, flowers, NOT bushes or trees) or other decorations (which should reflect the sacredness of the cemetery.) In addition, materials, such as gravel and brick and mortar borders have been used which is damaging our lawn maintenance equipment and potentially causing danger to our workers who use them. Please keep graves confined to the allotted space per grave. Planting are allowed in the front of the grave and not to exceed 6 inches from the base of the stone. This is to allow lawn equipment adequate space to pass by. Trying to be sensitive to a loved one's place of rest, we need to follow these policies to maintain the beauty and sanctity of our cemetery. Thanks for your cooperation. **Finally, for security reasons, please do not visit the cemetery after sunset.**

St. Anthony's Council of Catholic Women will be holding their first meeting of the season on Mon. August 29th at 7PM in the Church Basement Hall. All women of the parish are invited to join. Their Annual Labor Day Bake Sale will take place on Sept. 3/4. All women of the parish are invited to bake for this event which benefits their Scholarship Fund.
