Hi everyone, Once again, thanks to all of you who came to our annual summer cookout. Hope you had a good time. If you note in the above schedule, I need to find help for Jonathan K. at the Sunday morning Mass at 7:30am as he might not be able to serve each week as he has faithfully done for many years. Could you offer to help? Where there are only 2 servers, you are welcome to check in if we need another server. If you could help out, I'd appreciate it. I am also still looking for new servers. If you have a brother or sister or friend who you think would be interested, why not ask them? I will do my best to keep friends together. I will also be looking for some 8th and 9th graders for the 11AM Mass once the Confirmation program begins. We are hoping to make this Mass one where those in the Confirmation program will be active participants. –Fr Steve
