2010 Summer Speaker Series

Wednesday August 4th – Professor Ernest Collamati
“How to Save the Catholic Church”

The problems confronting the Church in the Third Millennium are formidable. A church in crisis aptly describes our situation. How to face and overcome the challenges that range in this country from decreased credibility of leadership to major demographic shifts, fewer priests to serve a growing Catholic population to technological advances, from closed parishes and schools to the status of women in the Church?

-- This is the final presentation in our summer series and is jointly sponsored by Saint Anthony's of East Falmouth, Christ the King of Mashpee and Our Lady of Victory of Centerville. The lecture will be held at Christ the King Parish Hall in Mashpee at 7:00pm.

PRAYERS FOR THE SICK: We will be deleting all names from our Prayer List as of July 31st. Please contact the Parish Office to re-enter names or to add someone new.

SUMMER CHOIR: The choir would like to invite summer visitors to sing while they are here. Practices are Wednesdays 7PM. Call Susan Pennington at 508-548-4956.

PAINTING: It has been ten years since the exterior of our buildings were last painted. After receiving bids from several contractors we have chosen the same contractor who painted the buildings in 2000. We expect the painting to begin the first or second week of August and will take several weeks weather permitting.(additional information to follow)
